

Noosa Memorial Artwork Design Competition

This brief provides applicants with guidelines for the design of a new Tewantin Noosa RSL Sub-Branch memorial artwork located on the corner of the Sub-Branch office at Tewantin.

Since 1916, the Returned & Services League of Australia (RSL) has existed to ensure help is always available to the men and women of the Australia Defence Forces. Originally formed by a group of returned soldiers, providing support, advice and camaraderie to Veterans and their families is core to our purpose.

The aim of the memorial artwork is to convey these objectives and must be relevant today and for generations to come. This memorial is about people and should reflect the Objects for the RSL which can be read on the Tewantin Noosa RSL Sub-Branch website at www.tnrsl.com.au. We are looking for a contemporary modern artwork that conveys the themes rather than a traditional memorial statue.

The winning entry will win prize money of \$2,000.

Guidelines:

- Location – the artwork is to be contained within the RSL Sub-Branch boundary on the corner of Memorial Avenue & Poinciana Avenue, Tewantin (see site plan below)
- Artwork ideas should tell a story, can use symbolism, but should be easily understood
- Artists should take into consideration with their design that space is limited eg a screen-like artwork may work well
- Submissions should include a 3-dimensional drawing preferably showing different views of the artwork; a paragraph explaining the concept and how it addresses the brief; any technical details such as materials, size, lighting etc; and the artists name, address and contact details.
- Safety issues should be considered eg climbing, entrapments, durability, etc
- Lighting – artwork could involve an artistic lighting element or otherwise will be lit a night time spotlight. Consideration
